Using ORB to Share 4-H Success

NEWS FROM THE CALIFORNIA STATE 4-H OFFICE

As a young person in 4-H, have you ever wondered what the impact of 4-H is on you? As a 4-H adult volunteer, have you ever wondered what the impact of 4-H is on young people? Of course not – because you live it and see it every day. All of us in 4-H see first-hand the value and beauty of the program. Not only is it fun but it helps develop healthy, happy, thriving people who make a positive difference in their communities.

We want to tell this story to everyone and you can help us! We have included surveys in the 4-H Online Record Book (ORB). The surveys ask questions related to sparks (what excites and motivates youth) and goal management in addition to questions about academics, science, healthy living and citizenship.

Help us document and demonstrate the value of 4-H for youth, families and their communities by taking the surveys in the ORB before February 15, 2013 or if you are an adult, by encouraging young people to take the surveys by the deadline. This will help us to continue to secure funding to support the program that we care deeply about. Survey data can also help us make this program better for youth, and make the program fit their needs. We want to make sure that 4-H is not only fun, but is helping youth find their spark, reach their goals and contribute to their community.

As if that isn't enough of a reason... 4-H Thrive is awarding \$20 gift cards to every 4-H member that completes all SPARKS Score Questions (including the "Bonus" ones) and adult volunteers that complete observation tools in the 4-H Online Record Book (ORB). SPARKS Score Questions appear twice a year; you must complete both time points to be eligible for these gifts. In addition, these same individuals will automatically be entered into a drawing to win a new iPad Mini. The current SPARKS Score Questions and adult observation tools must be completed in ORB no later than February 15, 2013 to be considered. The second set will appear in ORB beginning May 1st, these must be completed by August 31, 2013.

Thanks for helping us tell your story – the story of 4-H!

Getting Started with Online Record Book (ORB)

The 4-H Online Record Book:

- Has a social connection! It extends opportunities to stay connected to other club members and leaders online.
- Is a fun and interactive way to log 4-H activities and events.
- Is a more efficient way to keep Record Book information. No more worries about lost pages or misplaced work. It exports to hardcopies that can be printed for competition.

Featured Club Happenings!

Chief Peak 4-H

by Stephanie Callahan, Matthew Callahan

Meets 2nd Tuesday of the month 7pm at Summit School

Club leaders: Jackie Larson, Gina Larson and Stephanie Callahan

Chief Peak is located in upper Ojai. So far we have had a great year. Our club officers have done a great job. Hannah Hassien is our President, Sarah Barnes is our Vice President, Becky VanDavis is our Secretary, Joshua Ellis is our Treasurer, Zachary Gorman is our Sergeant of Arms, and Matthew Callahan is our Editor. Projects are beginning 4-H, cooking, bmx, swine, rifle, dirt bikes (one of the few in California), sewing, horse, pygmy goat, camping, and 7 more.

The beginning 4-H, our project for the youngest of members, has been having tons of fun. They have done a science presentation where they made "elephant toothpaste", they have had a hike with mini horses complete with a scavenger hunt, and had a cooking meeting where they made calzones, Caesar salad and a fruit salad—Yummy!

Chief Peak is getting ready for its upcoming events, such as Super Field Day. We are so excited to get to participate in the many new categories! We are also preparing an awards dinner to recognize our members' many accomplishments. Last year in swine, we won the Herdsmen Award.

Some community services we have done are snack bags for the homeless, TOTSOCE, we painted Summit Elementary Schools garden fence, and we will also be making food for a homeless dinner.

Loma Vista 4-H Speakers Wow Toastmasters

Four members of the Loma Vista 4-H Club presented impressive speeches at the December 13th Ocean View Toastmasters Club meeting. The speakers were Emma Medina, Payton Henuber, Gracie Morrison and Ellie Morrison, pictured here with Fern Vacca, Ocean View Toastmasters President and 4-H Club Project Leader. The speeches ranged from instructional to motivational, and showcased individual talents as well as a passion for community service. A picture of the 4-H speakers has been featured in the Ocean View Toastmasters online photo gallery.

*March's Featured Club Happenings! will include articles from Citrus Valley 4-H & Conejo Valley 4-H.

Healthy Living

Two New Ways to Incorporate Healthy Living

New Healthy Living Officer Position

Are you looking for ways to integrate healthy living practices into your 4-H club? Starting in the 2013-2014 program year California 4-H will be adding a Healthy Living officer position to the 4-H Officer Manual. By choosing to elect a Healthy Living officer your club is taking an active role in promoting healthy lifestyles. The Healthy Living officer will be the leadership for all health activities including: providing ideas on how to incorporate physical activities and healthy eating into club meetings, write Healthy Living articles for the club newsletter and adopting and promoting a club Wellness Plan. Please help ensure that the health "H" of 4-H is at the forefront of all our meetings - consider electing a Healthy Living officer! The 4-H Choose Health Officer Guide developed by Cornell University Extension can be found at: <http://www.ca4h.org/Programs/Clubs/Officers/>

Special Recognition at 2013 State Presentation Day

A special recognition pin will be awarded for youth who participate in State Presentation Day and focus their presentations on healthy living. This year's focus area is physical activity. Potential topics may include muscle strengthening, heart rate importance, workout wear, Zumba, activity log, exercise trends, fitness apps, stretching, benefits of exercise, fun ways to work out, 'exergaming', recreational sports, types of activity, making time for fitness, safe places in your community to be active and more. For details visit: http://www.ca4h.org/Programs/Events/SFD/PD/Recognition_Opportunities/

Super Field Day Silent Auction

The Super Field Day Committee and Small Animal Sciences PDC are looking for donations for the silent auction. Proceeds fund belt buckles for the Small Livestock at the Ventura County Fair. Items that are in high demand are unused holiday gifts, crafts, things in your attic, donations from your feed store, donations from your book store, gift certificates from your favorite eatery, and anything else that you'd like to bid on.

And, please attend Super Field Day to see 4-H in action and bid on an item in the Silent Auction! Items are being collected at the 4-H office.

Swine Bowl at Super Field Day

Calling all Ventura County 4-H Swine projects

Super Field Day will include Swine Bowl. We are looking for teams of four from each club. You can send more than one team from your club. Teams will compete in a 2-round elimination. Start studying your swine facts.

Come and do your best - have fun with your swine knowledge!

Clover Safe Notes

Clover Safe Notes Spotlight for February: PROPER MANURE HANDLING AND DISPOSAL (Note #67). Having livestock means dealing with manure. This Clover Safe Note discusses what, when and how much manure is to be dealt with.

Clover Safe Notes can be reviewed and printed from the UCANR website at http://safety.ucanr.org/4-H_Resources/Clover_Safe_Notes_by_Number/

The website has safety training and safety coordinator resources on this page. Clover Safe Notes are useful when incorporated into appropriate projects or shared with the club during monthly meetings.

COUNCIL CORNER

Highlights from the Ventura County 4-H Council

At the February meeting, reports were heard from Equine PDC, Science Night and Super Field Day. Food Faire & Fashion Revue announced that they are looking for volunteers, especially youth for the event committee. All-Star Dayle Morris reported on the recent TIC conference and their additional plans for Ormond Pointe.

Chris Garmon from Large Livestock at the VC Fair reported on new tagging procedures with swine on-site for tagging days (see calendar) and new events planned for this year, a club banner contest and exhibitor knowledge tests (feed, anatomy, breed, etc.).

The Council voted to support the State 4-H Fashion Revue with a \$100 donation for awards due to a lost sponsor. State Field Day on May 25 at Davis will include County banners, as well as many other events.

A Centennial Celebration Committee is being formed. Leaders and members who would like to volunteer should email Gwyn Vanoni at gwvanoni@ucanr.edu.

If you would like to join a committee, serve as a council member or add an agenda item, please contact Jenean Bass, Council President, by email at venturaco4-Hcouncil@gmail.com. Agenda items should be received at least 2 weeks prior to the meeting for inclusion. The next meeting will be **Wednesday, March 27, 2013 at 7 p.m.** at the 4-H Office. All leaders, parents and members are welcome to attend. Leaders and members 14+ vote on business at the meeting. We hope you will join us!

Flashback to Leadership (TIC) 2013

By Dayle Morris, Santa Rosa Valley 4-H; Savanna Stanley, Citrus Valley 4-H; & Bailey Morris, Santa Rosa Valley 4-H

The weekend of January 18-20, 2013, we attended the 20th Annual South Section 4-H Teen Involvement Conference (TIC) with over 70 other 4-Hers in Mountain Center, California. During the conference, many teenagers gathered to learn about becoming better leaders, while making new 4-H connections.

The participants were offered many different workshops including Creative Cupcakes presented by Bailey, and Team Building presented by Dayle & Savanna. In another session, teens learned leadership skills through building various parts of an ice cream sundae in a workshop called "The Cherry On Top." Each part of the sundae was a different skill you needed in order to be an effective leader. For example, the cup represented openness, the spoon represented motivation and the cherry on top was communication.

One of the highlights of the weekend was the motivational speaker, Michael Hingson and his guide, Africa. Mr. Hingson used humor to tell the story of being a blind man overcoming many obstacles to become the regional sales manager of a company with an office on the 78th floor of World Trade Center One on 9-11. Mr. Hingson challenged us to set aside our preconceived ideas that blind people are less capable than "light-challenged" sighted people, while retelling the story of his escape from the World Trade Center with wit and unique perspective. His story is also a best selling book, *Thunder Dog, The True Story of A Blind Man, His Guide Dog and The Triumph of Trust at Ground Zero*.

Since this was the 20th anniversary of TIC, Teen Staff who planned the event, brought back the traditional TIC Olympics, and the Saturday night dance was a 70's disco party. During the weekend we also collected items for "My Stuff Bags," and dropped off the donations received from the clubs in our county. Thank you to all clubs who donated items, we couldn't have done the service project without you. We hope that more of you will come next year, as Dayle & Savanna are leaving for college in August, and Bailey doesn't want to be the only Ventura County 4-H teen there – January 17-19, 2014.

Opportunities for Public Participation in Scientific Research (PPSR) (also known as Citizen Science)

PPSR are intentional collaborations in which members of the public engage in the process of research to generate new science-based knowledge. Read more about [PPSR](#).

- **The California King Tides Initiative** - <http://www.californiakingtides.org/>
The Initiative encourages the public to document the highest seasonal tides (or king tides) that occur along the coast. These photographs help us visualize the impact of rising waters on the California coast.
- **Cornell Lab of Ornithology FeederWatch** - <http://www.birds.cornell.edu/pfw/>
Project FeederWatch is a winter-long survey of birds that visit feeders at backyards, nature centers, community areas, and other locales in North America. FeederWatchers periodically count the birds they see from November to April and send their counts to FeederWatch.
- **Coastbuster** - <http://oceannetworks.ca/coastbuster>
You can help keep our Coast clean and safe by reporting debris via Coastbuster for Android. Use this app to report large, unusual and potentially hazardous marine debris—especially items that may have been swept into the sea by Japan's devastating March 2011 tsunami.
- **CoCoRaHS** - <http://www.cocorahs.org/>
CoCoRaHS is a unique, non-profit, community-based network of volunteers of all ages and backgrounds working together to measure and map precipitation (rain, hail and snow). By using low-cost measurement tools, stressing training and education, and utilizing an interactive website, our aim is to provide the highest quality data for natural resource, education and research applications.
- **Project BudBurst** - <http://neoninc.org/budburst/aboutus.php>
BudBurst is a network of people across the United States who monitor plants as the seasons change. They are a national field campaign designed to engage the public in the collection of important ecological data based on the timing of leafing, flowering, and fruiting of plants.
- **Long-term Monitoring Program and Experiential Training for Students (LiMPETS)** - <http://limpetsmonitoring.org/>
This hands-on program was developed to monitor the ocean and coastal ecosystems of California's National Marine Sanctuaries to increase awareness and stewardship of these important areas.
