Super "Amazing" Field Day

On March 16, 2013, more than 150 Ventura County 4-Hers, from nearly every club, came to participate in Super Field Day. This was nearly double the registrations from the year prior. The event has crossed project boundaries to become the largest 4-H event in the county. Because of the wide variety of classes, many 4-Hers participated in several events and competed in knowledge and showmanship competitions. Additionally, the Silent Auction Fundraiser was successful in raising nearly \$1,300 for Small Animal Belt Buckles.

And, the winners are...

Featured Club Happenings!

Las Posas 4-H

*Usually meets first Tuesday each month at 6:30 at Mt. Cross Lutheran Church in Camarillo.
Call to confirm date and location.*

Club officers: Addie Wucherpfennig (President), Emily Wray (Vice President), Amanda Wray (Secretary), Emily Orosco (Treasurer), Ben Schierman and Lute McCormick (Sergeant at Arms), Ellie Meyring (Attendance), Jackie Carlton (Activities/Recreation), and Hannah Ray (Historian).

Club Leaders: Cynthia Wucherpfennig, Maiya Hutchinson, and Chelle Smith.

Las Posas 4-H club serves the Camarillo area. Our club is growing with a healthy mix of ages. We have recently accepted primaries (ages 5-8), and currently have 45 members in our club. Our club officers have done a great job planning and making sure our club goals are reached.

Our projects include the large livestock species; Market Swine, Market and Breeding Sheep, Market Goat, and Market and Breeding Cattle. We also offer a rabbit project, including Rabbit Hopping. Other projects completed, underway or yet to start are American Sign Language, Foods Preservation, Cooking, Cake and Cupcake Decorating, Camping, Hiking, Automotive, CPR & first aid, Indoor and Mini Gardens.

Our club was active in several community service projects such as a Food Share canned goods drive (Trick Or Treat So Others Can Eat-TOTSOCE), marching in local parades behind the equestrian entries as “pooper scoopers”, and helping out where needed at several local community events and fundraisers.

At the beginning of our year our board members held a fun and funny “4-H Uniform” fashion show displaying the correct and incorrect way to wear the 4-H uniform. At another meeting

members of the Sign Language project signed the 4-H pledge (see picture to left). We also held a judging contest, and have had several members give presentations to the club.

We had a great fundraiser selling snacks at the local Christmas Tree Farm, and we had a pizza & bowling party this winter. We have held a few of our meeting outdoors so we can have large livestock presentations. We also participated in super field day, and won the 4-H Herdsmanship award this year at the fair. We are still hoping that the trophy will show up!

*June's Featured Club Happenings! will include an article from Loma Vista 4-H.
Featured Club calendar is at http://ceventura.ucdavis.edu/Youth_Development/4-H/Newsletter/*

4-H Food Faire

by Rebekah Gorman; Chief Peak 4-H

This year Food Faire and Fashion Revue was on April 13, 2013 at Ventura County Fair grounds in the McBride Hall. There was a good turn out for Food Faire. Kids from five different 4-H clubs participated in this county event. There was a Main Dish category; which was a Chili Cook off, a Side Dish category; which was all about Corn bread, a Deserts category; other than baked goods, Baked Goods, Other and a Cake Decorating category; the theme was "Boots, Barns & Banjos". There were three entries for the Cake decorating category and all three cakes looked amazing. Three kids participated in the Chili Cook off, 3 in the Deserts, 9 in the Baked Goods and 1 in the Other Category. Everyone did really well and displayed their dishes creatively.

This year three people, all from Chief Peak 4-H, entered posters. All three were very well done and had interesting information on them; pertaining to food, cooking, mixing, measuring, and storing.

There was lots to do while waiting to be judged.

There was a spice ID challenge, a sewing judging challenge and a table where you could learn how to make a duck tape flower pen. At another table, there was all sorts of crafting materials which were meant for the decorate a boot activity, but no one brought a boot to decorate, so all the kids had fun just making whatever.

The Fashion Revue

By Megan Hassien; Chief Peak 4-H

The Fashion Revue is all about showing your different talents of fashion. There are a variety of projects you can enter in, for example; you can sew an outfit, duct tape an outfit, enter the \$19.99 challenge or you can put together an outfit for \$100.00 or less. The duct tape challenge is a unique challenge because you can decorate or make a shirt, jacket or hat with a variety of duct tape. After you assemble your outfit, you go before three judges and they asked the participants questions about their outfit. Next, you model your outfit on stage before an audience and receive a pin or ribbon for all your hard work. You don't want to miss this event next year!

The **Words Work** curriculum teaches kids to use communication skills to prevent and manage conflict. Words Work is a turn-key curriculum educators and advocates can use to build leadership, relationship, and communication skills. With these skills, youth will become comfortable with recognizing and effectively resolving conflict in the situations they face at school, at home, and in the community.

Through ten 45-minute sessions, educators will guide youth through interactive lessons that focus on relationships, problem-solving, communication, and leadership skill-building. A free Words Work Facilitator's Manual can be downloaded for free at

Get Your Youth Building Entries Ready for Fair

The 4-H Council Board has been working with Youth Building Superintendent, Peggy Kroener, to make it easier for club and/or project leaders to drop off entries to the Ventura County Fair this year. 4-H leaders can schedule appointments to drop off non-perishable entries from their clubs/projects on the Friday, July 19 and Saturday, July 20 drop off dates. On-line pre-registration is required before the physical drop off of the groups' entries. By pre-registering the Youth Building volunteers will have pre-printed name tags and spreadsheets for each project member available at drop off.

The VC Fair Entry Guide is expected to be online in May at www.venturacountyfair.org. Questions about specific entry opportunities and guidelines should be directed to the Fair Department Superintendents through the contact information listed in the Entry Guide.

Suggestion: Volunteers coordinating club/project members entries into the Youth Building can have members bring their entries to their end-of-the-year meetings for collection, rather than having to track down the entries during the summer.

If you have any specific questions regarding 4-H fair eligibility, please refer them to Gwyn Vanoni at gwwanoni@ucanr.edu

4-H State Leadership Conference

July 25-28, 2013 at UC Davis
Celebrating 100 years of California 4-H.

This year's theme: *There's no place like 4-H*

The 4-H State Leadership Conference brings together high school youth from across California in a four-day leadership training, networking, and learning experience. The conference provides advanced leadership training and is an opportunity for 4-H members to network and share ideas with other 4-Hers from across the state. The conference focuses on providing high school youth with experiential education on leadership development, civic engagement, college admissions and other 4-H project areas.

Youth delegates gain exposure to the campus by living in the residence halls, eating in the dining commons, and participating in educational sessions, many of which are taught by UC faculty and staff.

The conference is planned by a team of high school 4-H members and adult advisors. Working in strong youth-adult partnership, the team designs the educational, recreational and logistical components of the conference.

Participants must have graduated 8th grade in order to attend (ages 13-19). Registration will open in May.

100th Anniversary: 100 Tie Blankets for Foster Youth

Countywide Community Service Project June 15, 2013

California 4-H has challenged each county to spread awareness of the 100th Anniversary of 4-H in California by awarding Revolution of Responsibility grants to county youth for community service projects. Grace Van Splinter and Bailey Morris of Santa Rosa Valley's Leadership Development Project, have been awarded a \$1,000 grant to make 100 tie blankets for Ventura County Foster Youth. They are working with Casa Pacifica to get the blankets into the hands of foster youth, but they need 4-H volunteers to make the blankets.

All current 4-H members and 4-H alumni are invited to this community service opportunity on June 15, 2013, at the 4-H Office (669 County Square Dr. in Ventura) from 10-4. The goal is to complete all 100 blankets during this event, as well as for each blanket creator to write a personal note to a foster youth to be attached to the blanket. All materials will be provided, however, interested volunteers are asked to bring a sharp pair of fabric scissors, if they own them.

If you, or a group of people from your club, would like to volunteer or need more information about this community service event, please contact either Grace Van Splinter at 805-312-5084 (text/phone) or Bailey Morris at 805-377-8380 (text/phone). Also, if you or your club would like to reserve a two-hour block of time to volunteer, please send your reservation to gtngvans@roadrunner.com. Thank you for your support. Ventura County 4-H and Grace Van Splinter and Bailey Morris, Santa Rosa Valley 4-H, Co-Chairs of 100 Tie Blankets for Foster Youth, Revolution of Responsibility Service Project.
