# TOTSOCE Collects 6000 lbs.+ for FoodSHARE

By Grace Morrison, TOTSOCE Teen Leader, Loma Vista 4-H

This year marks the 17th year of Trick Or Treat So Others Can Eat (TOTSOCE), our county wide 4-H youthled food drive that benefits FoodSHARE, our county food bank. Efforts this year far exceeded last, with some remarkable hard work by individual 4-H members and several key 4-H clubs, along with other youth groups who participate with 4-H.

All said, the entire effort hauled in over 6,300 pounds this year! The 50 Pound Challenge was introduced to encourage each member to hit a personal goal of 50 pounds or more of collected food. To simplify this goal, it's the equivalent of 5 full brown grocery bags of canned or dried goods. It seems with the results below, that many were up for this challenge, making this year a huge success.

Most noteworthy were the efforts of Santa Rosa Valley Club, who collected 2,085 pounds! SRV member Anna Bello brought in the most of any 4-H member, with over 790 pounds collected through her school. La Reina in Thousand Oaks. Great job Anna getting your school involved, and great job Santa Rosa Valley, you all did an amazing job!

We also want to congratulate Colette Victorino from Mira Monte Club, who single handedly collected 211 pounds of food, helping her club total soar to over 800 pounds. Also, our own Loma Vista club collect-

ed over 1,200 total pounds thanks to more than 15 members who surpassed the 50 lb challenge. Participation this year was strong with many 4-H clubs joining in, including Somis, Sespe, Chief's Peak, Conejo Valley and Las Posas clubs.

### **TOTSOCE Spotlight....**

By Anna Bello, Santa Rosa Valley 4-H

Over the last few years, I raised a pig for the Ventura County Fair. I learned a lot and had a great time doing it. Each year the buyers of my pig donated the meat to the FoodSHARE. It is about 300 lbs. of meat that goes towards feeding the 75,000 families they feed a month. This year the fair board changed the dates of the fair. I will already be in school by then. I am still very disap-

pointed that I am not going to be able to participate. But, I wanted a way to still donate food to FoodSHARE. I remembered at Halloween our club collects canned goods for "Trick or Treat So Others Can Eat". So I decided to go to my school's administration to see if I could get approval to have a collection bin at school. It was approved! So with the help of the staff and students at my school we were able to collect 790 lbs of food! I am so happy I was still able to contribute to FoodSHARE in a big way. And even though I cannot be there to show a market animal I hope to visit all of my friends at the fair next year.

### Sewing Crafts Starts with a Challenge

By Nicole Bellmore, Loma Vista 4-H

The sewing crafts project spent their first project meeting of the year sewing pillowcases for the 4-H State Million Pillowcase Challenge. The Million Pillowcase Challenge is a cause 4-H is joining in that donates pillows to various children homes across the nation. The sewing project completed

a total of eight pillowcases that will be donated. It was especially nice that each project member completed a pillowcase. We are looking forward to making our crafts for the Holiday Potluck, next, and then on to our own projects.

For more information about State Fashion Revue and the Pillowcase Challenge see page 3, or Pillowcase Making Open House scheduled Jan. 2 visit the online 4-H Calendar.

### **TOTSOCE Wrap Up**

Continued from pg. 1

The success of this event also depends on strong participation from in many groups beyond 4-H. In particular, Camarillo AYSO brought in over 1,000 pounds as they have for over the last four years. Thanks to Whitney Hurd who organizes all the field contributions from all the region's soccer teams. Other groups who helped this year were Fusion Soccer Club, Missionary School and Newbury Park High School.

Our congratulations to all who participated and we welcome many to join us again next year. This event is the perfect example of how 4-H leadership and citizenship can truly impact the community we live in. Trick Or Treat So Other's Can Eat is an event that truly embodies the head, heart, and hands for all.

### Spark Score Surveys are open!

### Operation Gratitude Was Gratifying!

By Noah Burr, Santa Rosa Valley 4-H

On Saturday, November 8, 2014 several members of Santa Rosa Valley 4-H headed South to the Van Nuys Armory to participate in Operation Gratitude. Operation Gratitude is a non-profit, volunteer-based organization that sends 100,000 care packages to individually named U.S. Service Members every year. Since 2003 the Van Nuys Armory has shipped more than 1,000,000 packages to American Military members and their families.

The assembly line started at 1pm. Santa Rosa Valley 4-H members filled and packaged boxes. Many spent a good portion of the time making paracord bracelets to be included in the care packages. We learned that paracord can come in handy for many troops out in the fields. One eight inch bracelet can hold up to five hundred pounds, and the threads inside the cord can be used for stitching a wound in a pinch.

It was a very gratifying day to know we were all making a difference in the lives of many of the men and

women in our Military.
The Van Nuys
Armory is always
looking for volunteers
to continue this effort.
Please consider
volunteering at the Van
Nuys Armory.
